Perry Rambots Team 6548

Dear Potential Partner,

The Perry High School Robotics Team-the Perry Rambots, team 6548 - is looking forward to partnering with you as a sponsor for our 2026 First Robotics season. The First Robotics program helps teach students valuable STEAM related skills from electrical engineering, to graphic design, public speaking and so much more. By partnering with our team, you're not only helping us build robots, but helping students build futures in STEAM careers. Your funds will help to buy robot parts, technology, tools, and pay for travel and transportation expenses for students this year.

We are only one of the 600+ 8th - 12th grade teams that compete each year in Michigan and one of the ~4000 teams from around the world. During the 2025 season, we made it to the World Championship in Houston, Texas, and were in the top 5% of all teams. Without all of our generous donors, none of this would have been possible.

Because of our dedicated sponsors, our seniors who have been committed to robotics for four years have had opportunities in many STEAM careers revealed to them. A couple examples of this is: our mechanics and programming-focused graduate will be participating in an engineering program at Michigan Tech as well as another enrolling in an electrical engineering program. These accomplishments have been made possible by their involvement in the robotics program and because of our devoted sponsors.

We look forward to partnering with you,

Team 6548 Perry Rambots

There are 3 levels of sponsorships available for this season that are all tax deductible for donating to a 501(c)(3):

Family and Community Champion: \$100- \$249.99

→ Small logo/name on our robot, a photo of the team.

Supporting Partner: \$250 - \$999.99

→ Medium size logo/name on our robot, medium size logo/name on our sponsor banner, a photo of the team, and a letter of our sincere thanks.

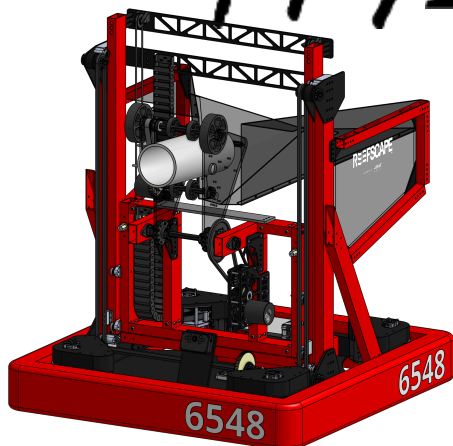

Visionary Partner: \$1,000 and up

→ Large logo/name on our robot, your logo/name on our sponsor banner, a framed and signed photo of the team, a letter of our sincere thanks.

Bonus For All Levels

- All sponsors will receive online media advertisement from the Perry Rambots on our Facebook page. A letter of our utmost gratitude will also be included with any amount.

Guppy 2025

- 2025 First Robotics World Championship Qualifier
- 2025 Michigan State Championship Autonomous Award
